## *President's Message*

Greetings Montclarions,

I want to thank the Owners who participated in this year's MPOA Annual Meeting, election of At-Large Directors, or selected a position on the proposed FY26 budget. The Association made a quorum just a chime after 10 am on the 15th of March. I am honored to report that the Owners of the MPOA approved the FY26 budget. Thanks to everyone who participated! Votes for will allow the Board to manage the business of the Association at an appropriately funded level during FY26, while the votes against serve as a signal of our fiduciary responsibilities.

Least we forget, FY25 was executed with FY24's funding level. The Board was unable to fully execute all the line items identified in the proposed FY25 Draft Budget. The hours of recreational guards and lifeguards were reduced; however, due to economic savings in FY23, the Board recovered a portion of lifeguard and recreation guard service hours. Even under a limited budget, the Association maintained the operation and maintenance of our dam, facilities, and grounds. Montclair suffered an outbreak of E.coli during the start of the beach season, affecting in-water activities over the Memorial Day weekend. In response, the Association dramatically improved communications through dedicated e-blasts and website pop-up alerts. The Association also installed a shower at Dolphin Beach.

Other initiatives included the use of native Virginia plants when the replacement of landscaping is necessary. In September of 2024, the Board began transitioning to paperless meetings. This decision signaled initial steps to reduce the Association's paper use and transition toward paperless operation. The Board established three new ad-hoc committees – the strategic planning, sub-association, and management requirements.

Contractually, the Association established cost-effective multi-year contracts with Pyrotechnico for our 4th of July celebrations, Brightview Landscaping, a new agreement with the Potomac Marlins, and renewed our insurance package with Brown Insurance. The Board worked with FSR to update the Management Agreement. Most importantly, the Board worked with the PWC Environmental Management and the Board of County Supervisors to secure a hauling agreement for the Lake's dredged refuse.

Finally, the Board of Directors has settled with C.J. Eagle, entering into a signed agreement that serves the best interests of the Association. In summary, to end our litigation, C.J. Eagle agreed to the conveyance of property to the Association. (Roughly stated as) Their remaining parcels of the Montclair Dam, conveyance of land known as Hockersmith Park, and conveyance of land known as the flagpoles (area) at the end of Country Club Dr. In return, the Association allows water access to the lake for irrigation, the Association will charge them a commercial rate for use of the area known as the pump house, and grant them easement for the cart paths in our common area. We were well represented by Mercer and Trigiani.

I believe FY26 will continue to be a very productive year for the Association. Together, we can keep Montclair invigorated internally in our appearance, facilities, events, and community involvement. And externally with PWC, including the Board of County Supervisors, the Environmental Management Division, the Department of Transportation, and the Police Department. We are one of the premier communities of Northern Virginia. Let's continue to work together to make Montclair the premier community of Northern Virginia!

*Brian Proctor*

## A LETTER FROM THE STAFF

**From the desk of**  
Steven Levin  
General Manager

Dear Montclairions,

Your feedback continues to shape the way we serve this community. In partnership with the Board of Directors and FirstService Residential, I am excited to announce several service enhancements rolling out this spring—all focused on improving transparency, convenience, and communication.

This year, the Board approved changes that continue to build on our efforts to streamline billing of assessments and communications, directly reflecting the input many of you have shared. We hope these improvements demonstrate our continued commitment to better serving Montclair.

### WHAT'S NEW?

#### ✔ Expanded Digital Communication Options

Starting May 1st, owners can now opt-in to receive important notices—including Statements, Payment Reminders, PIR correspondence, and Violation Letters—electronically via email. You also now have the option to opt-in for text message alerts for time-sensitive alerts.

These new features give you faster access to community information and reduce reliance on paper mailings. Best of all, they come at no cost to the Association or residents.

#### ✔ How to Opt-In for E-Communication and Text Alerts

Simply log into your Connect Resident Portal at [montclairva.connectresident.com](http://montclairva.connectresident.com) and update your communication preferences. You'll be prompted to verify your phone number if you opt-in for text alerts. Standard text messaging rates may apply based on your cell phone plan.

#### ✔ WelcomeLink Email Delivery Option

As noted in the annual budget letter included in the Montclairion, starting in May you'll receive your first statement by mail, which will include instructions to opt-in for eStatements through WelcomeLink. This ensures you continue to receive monthly statements and reminders electronically—keeping your account information easily accessible.

We're excited to bring these enhancements to Montclair and look forward to continuing to improve our services based on your feedback. As always, please reach out if you have questions or suggestions.

### ANNUAL MEETING

On behalf of our entire team, I want to extend a warm welcome to our newest Board Members, Larry Doane and Louis Birdsong. Also, congratulations to Brian Proctor and Chris Williams on their re-election to the Board. Having a full Board that represents the entire community is essential to making decisions that best serve Montclair. Thank you all for stepping up and volunteering your time and leadership.

I would also like to express sincere appreciation to the Election Committee for coordinating another smooth and successful Annual Meeting. Also, thank you to the Budget & Finance Committee for your collaborative efforts over the past year—especially in responding to community feedback about our budget communications. The overwhelming support for this year's budget is a direct reflection of that enhanced communication campaign, and I look forward to building on that momentum in the new fiscal year.

Re: FY2026 Assessments and Approved Budget

Dear Montclair POA Owner:

**Assessments for May 1, 2025-April 30, 2026 (FY2026)**

The FY2026 budget was approved by the membership at the annual meeting held on March 15, 2025. As a result, the assessment rate for the new fiscal year beginning **May 1, 2025**, will be **\$900.00**. The late fee for payments not received and credited on or before the **10th day of the month is \$35.00**. Unless you are on direct debit, you will receive a coupon booklet in the mail in order to make your payment(s).

**Payment Options**

Owners in good standing are eligible to pay in full or make 12 monthly payments. The **Annual Coupon Option** pays the full annual assessment in advance in the amount of \$900.00 and is due on May 1, 2025. The **Monthly Payment Option** is twelve equal payments of \$75.00 from May through April. If at any time during the year you elect to pre-pay the balance on your account, a credit balance will remain on your account and slowly offset the monthly assessments to be zeroed out by the end of the year.

**Delinquent Accounts**

Owners with a past due balance may not be eligible for the Monthly Payment Option. "Not eligible" is defined per Board resolution as having accounts in collections as of the date of record. Those members not eligible for monthly payments must pay the full annual assessment of \$900.00 by May 1, 2025 using the Annual Payment Option Coupon.

**New for FY2026:**

Service Fees: Owners will no longer pay a \$2 service fee for monthly payments.

Monthly Statements (WelcomeLink): **FY26 is the final year for coupon booklets**. Beginning May 1st, homeowners will receive monthly statements from WelcomeLink. Each statement will include a coupon for check payments. Once you receive your first statement in the mail, there will be instructions to sign up for eStatements through the WelcomeLink website. You can also opt-in to receive reminder notices by e-mail instead of regular mail.

Trash Service Billing Update – New Separate Account: Also starting on May 1<sup>st</sup>, single-family lot owners that have opted-in for trash service will have a **new**, separate account linked to your homeowner account in the Connect Resident Portal. You will receive a separate monthly statement for your trash assessment – **please take note of your new account number for trash**.

If you are registered to pay assessments in ClickPay, they will insert this additional account on your user profile. You will be able to view your balance and configure autopay separate from your regular assessment. This change ensures transparency and allows you to manage your regular assessment and trash payments individually.

Since trash payments are processed separately in ClickPay, **no convenience fee will be charged when paying for trash on ClickPay** regardless if you pay by e-check (ACH) or credit card.

### **How to Pay**

**By Check:** All checks should be made payable to "Montclair POA". **Please note your account number on the check** along with enclosing the coupon in the envelope. The remittance address is below and can be used for only Montclair POA assessments payments and trash payments.

Montclair POA  
c/o FirstService Residential  
P.O. Box 30403  
Tampa, FL 33630

**Personal Banking System:** If you currently use a personal online bill-paying service to pay your monthly assessments, please update your account for the new fiscal year and ensure the remittance address is correct.

### **In Person or Montclair POA Drop Box:**

We encourage you to make your payments electronically on ClickPay to expedite processing (please see below). However, you may bring your check and coupon to the business office at 3561 Waterway Drive, Montclair VA, during our regular business hours and make your payment at the lobby window. You may also place your check and coupon in an envelope and drop it in the black box outside of the office front doors, if not paying during business hours. Payments can be made at the building for ONLY Montclair POA assessments; we are unable to process payments for sub-associations.

**Electronically:** Through ClickPay, payments can be made online by e-check (ACH) from a bank account at no cost to you or by credit or debit card for a nominal fee. Please note that payments made through ClickPay can take 3-5 business days to process. To avoid late fees, be sure to schedule your payment early enough for it to be received and credited by the 1st of each month.

**Direct (Auto) Debit:** We encourage homeowners to take advantage of a convenient Direct Debit Program and have the monthly assessment automatically deducted from your checking or savings account each month. To enroll in the direct debit program, please register for ClickPay at [www.clickpay.com/firstservice](http://www.clickpay.com/firstservice) and follow the instructions. If you are already enrolled in the Direct Debit option to pay the **Full Amount Due**, the new assessment will be deducted automatically from your account beginning in May and no coupons will be sent.

**\*Note for Single-Family Homeowners enrolled in Trash Service:** If you pay by check or use personal online banking, **trash and regular assessment payments must be made separately to ensure each is properly applied to the correct account.**

We are here to help! If you have any questions regarding the enclosed budget or your assessments, please contact our onsite management office at 703-670-6187 or [info@montclairva.com](mailto:info@montclairva.com).

### *Nightingale*

On windy nights, the flailing trees  
Make lights flicker on the lake,  
And you cradle with each strong gust  
A dream that might slip and break.

The years have taught you shelter  
In belonging may not last forever,  
But tonight the sturdy walls hold fast;  
Rest from the loss you remember.

Where the thread of life you follow  
Leads is a question for the future.  
If winter midnight hides the way  
Forward, a clear light still flickers

In your heart. Read the verses  
On your lap; they set you free.  
Sing the song you won't regret.  
Trust the friend you can't see

# COVENANTS CORNER

Annual Inspections are beginning soon! Be sure to look out for updates on the MPOA Facebook page and website.

[www.montclairva.com](http://www.montclairva.com)

## PROCESS

When annual inspections begin this Spring, covenants inspectors will walk every street in Montclair to review each individual home and lot. Any items found in violation of the community's covenants or guidelines will be noted, and the homeowner will be sent a notice of non-compliance. This letter will provide the owner with the nature of the violation and the compliance date in which to correct the violation. The inspector will return after the compliance date for a re-inspection, and if the issue has not been corrected by that time, then a second notice of non-compliance will be issued. The owner will have two (2) weeks from the date of the second notice to resolve the violation, and if it is still not resolved, then a notice of hearing with the Board of Directors will be delivered. A hearing affords an owner the right to appeal or make a request for accommodation directly with the Board of Directors. Failure to attend the hearing is a waiver of the owner's right to appeal, and the Board will decide the appropriate charge or action, pursuant to Section 10.1(h) of the MPOA Amended Declaration. All decisions made by the Board are final.

**All homeowners are strongly encouraged to contact our covenants team at the MPOA office as early in this process as possible should they require additional assistance to abate a violation.** This might include help with submitting a Property Improvement Request (PIR) form, a request for a reasonable accommodation, or a request for an extension of the compliance date. All requests for extensions and accommodations are considered on a case-by-case basis, and if beyond the authority of the on-site management agent, then the owner can request to accelerate the process to a hearing so they may appeal their concern directly to the Board.

## INSPECTORS

The covenants team will conduct most inspections from public areas, but inspectors have the right to enter an owner's property for the purpose of performing a complete inspection, as provided in Section 3.2(a) of the MPOA Amended Declaration. All associates of our covenants team will wear an MPOA uniform shirt and identification badge. Their vehicles will be clearly marked with MPOA magnetic signs as well. If you have any questions regarding inspections or notices, our covenants team is available to assist you Monday through Friday, 8:30 a.m. – 5:00 p.m. at 703-670-6187.

## AT A GLANCE

Annual Inspections begin in early Spring and may continue through the Fall. The purpose of these inspections is to maintain property values and promote harmonious living through the enforcement of the MPOA Amended Declaration and Community Guidelines. This ensures Montclair is always kept a pleasant and beautiful neighborhood for all residents to enjoy.

## PREPARING YOUR HOME

The Amended Declaration and Article 5 of the Community Guidelines are available for download at [www.montclair.com/forms-and-documents](http://www.montclair.com/forms-and-documents) and contain detailed information on the items that are permitted and what can be considered a violation. Some of the most common violations can be avoided prior to annual inspections by performing the following routine maintenance of your home:

- Check for mold, dirt, or other discoloration on siding and gutters. Inspect all windows, doors, and other miscellaneous wood trim for mold, discoloration, or rot.
- Make sure trash and recycling containers are stored out of public view, except on trash days.
- Prune any overgrown landscaping and, in the warmer months, cut grass regularly.
- Keep all items on the entire property stored in a neat and orderly fashion.
- Ensure that home numbers are visible on the home as well as affixed on the mailbox.

## PICNIC RESERVATIONS

Each of our awesome amenities boasts a picnic zone fit for a party squad of 25 to 60 guests, depending on where you're at. When beach season rolls in, these spots are up for grabs to host your epic shindigs! Here are some rules to keep in mind as you get ready to save your spot.

Reservation of picnic areas is limited to Members in good standing who possess a valid unrestricted Montclair Recreation Pass.

Events must comply with the Community Guidelines, this includes remaining tidy and restricting alcohol.

Guests without a valid Recreation Pass attending functions at the picnic areas must utilize street or other alternate parking.

To reserve a space, residents must fill out a Picnic Area Reservation form. This can also be done online through FSR Connect. The form and a tutorial for Connect can be found at [montclairva.com/picnic-reservations](http://montclairva.com/picnic-reservations).

### Limit one active reservation per household.

In addition to the Picnic Area Reservation for Private Functions form, Members must submit the following documentation:

1. Copy of the declaration page of the homeowner's/renter's insurance policy;
2. Complete list of guests attending the function, submitted no later than 4 working days prior to requested reservation date.

Failure to provide the complete (first and last name) guest list by the due date will result in the cancellation of the reservation by management staff.
